Dear Students, Parents, and Guardians:

Welcome to Martin Luther King High School, home of the Cougars! New student orientation for the 2023-2024 school year will be held virtually **Tuesday August 29, 2023 at 11am-12:30pm.**

Our mission is to develop a community of learners who are academically proficient, effective communicators, and responsible citizens. With your help, we can achieve this mission. High School is an amazing opportunity for students to prepare for their future. MLK HS has made a long-standing commitment to provide students with personalized learning experiences to help students feel confident about their abilities and begin to plan for the future after high school.

This letter is to inform families about MLK's focus for the 2023-2024 School Year. Our motto is "One Community, One School, One Focus, Student success." This means that as a school community we will be closely monitoring and supporting our students to improve their academics, attendance, and credit attainment.

In order to ensure all of our students are prepared for the high school experience, we ask that ALL incoming 9th graders and new students attend orientation. During your time, you will meet members of the MLK HS staff and hear about school expectations.

Be sure to check our website for updates and important information.

We look forward to meeting all of you!

Sincerely,  
Keisha Q. Wilkins,  
Principal
